## Chapter Newsletter

### September 2015

Dear Becky,

I'm excited to introduce you to our redesigned and improved newsletter! After trying several formats over the past few years, we've learned what works well and what doesn't. This represents a major step toward a hybrid web and print newsletter, and I hope it improves the readability and communication of our chapter.

There's a lot in this issue, including our full 2015-2016 program calendar. Our program committee has been hard at work, and I believe you'll find this will be one of the best years yet in the Salt Lake Chapter.

It's our hope the newsletter will be a valuable publication, not only for our chapter news, but for your events, educational and scholarly articles. If you have any suggestions to improve the letter, or wish to submit content for publication, please let me know.

Three additional events that came in after the publication deadline (20th of each month) are listed below. This is a perfect example of why it's a good idea to follow our chapter calendar - events are always changing! The three recitals below are performed by students of Dr. Kenneth Udy. Student recitals are important to the future of our instrument, and that's why we're giving them special attention below:

- Friday, September 18, 7:00pm - Lorelea Anderson at the Alpine Tabernacle in American Fork. Works of Kasen, Bach, Brahms, Wright, Yon, and Young.
- Saturday, September 26, 4:00pm - Laura Cutler at Libby Gardner Concert Hall. Master's recital. Works of Bach and Widor.
