

Salt Lake Chapter // American Guild of Organists **THE BOMBARDE**

October 2016

SLCAGO members at the opening social event on Sept. 11, 2016 at First United Methodist Church.

Dean's Column

Dear Members and Friends,

It was wonderful to see so many of you at our 2016-2017 Opening Social.

The new officers for the Chapter were introduced. We reviewed the exciting calendar of Events for the year, including an over view of the 2017 West Region Convention to be held in Salt Lake City.

Following the chapter business, we all enjoyed the potluck dinner. Scott Mills, organist for First United Methodist, invited the members upstairs to see, hear, and play the church's newly-restored pipe organ.

The group then moved to the nearby Cathedral of the Madeleine to enjoy the first recital of the 23rd Annual Eccles Organ Festival. The recitalist was Jaun Paradell Solé who is the Titular Organist for the Sistine Pontifical Chapel Choir in Vatican City/Rome, and is the organist for all liturgies where Pope Francis presides in St. Peter's Basilica.

If you are planning on going after the Service Playing or Colleague exam-

ination, you need to get started soon. Good luck!

I wanted to share with you a few of my goals as your new Dean.

1. To continue having exciting and educational events each month. Please share with me any other events you hear about in the community that members would enjoy. We want to support our community.
2. To put our monthly event photo and a short article of it in the TAO each month. It takes two month's to appear after I submit it. Our August Certification event will be in the November TAO, and our Opening Social will show up in the December issue, so watch for them.
3. To provide frequent reminders of the events, which I hope will boost our attendance. We've already seen success in this regard!
4. Send out a newsletter each month, and occasional updates as well.
5. Continue to build our member-
